

Molecular Evolutionary Genetics Retreat

Friday, November 14th

Aline Skaggs Biology
University of Utah, Main Campus

3:00pm Opening reception (atrium outside lecture hall)

4:00pm Keynote address - **Doris Bachtrog**

Assoc. Professor of Integrative Biology, UC Berkeley
*Birds, snakes & flies: The diversity of
sex chromosomes and their evolution*

Saturday, November 15th

Silver Baron Lodge at Deer Valley
Deer Valley, Utah

9:00am Arrival and coffee

10:00am Short talks (15 minutes + 5 minutes Q&A)

Christopher Gregg (Neuro)
Jainy Thomas (Human Genetics)
James Ruff (Biology)
Claudia Marquez (Human Genetics)
Brett Kennedy (Human Genetics)
Gillian Stanfield (Human Genetics)

12:15pm Lunch sponsored by  **omicia**

1:30pm Short talks (15 minutes + 5 minutes Q&A)

Poster previews (round I)

Nitin Phadnis (Biology)

Louisa Stark (Genetic Science Learning Center)

Edward Chuong (Human Genetics)

3:00pm Coffee break sponsored by  **Utah Center for
Genetic Discovery**

3:30pm Short talks (15 minutes + 5 minutes Q&A)

Poster previews (round II)

Kelsey Cone (Human Genetics)

Eric Domyan (Biology)

Alan Rogers (Anthropology)

Gabrielle Kardon (Human Genetics)

5:00pm Break

6:00pm Dinner sponsored by  **illumina**[®]

7:00pm Keynote address - **John Willis**

Professor of Biology, Duke University

*Genetic analysis of local adaptation
to different habitats in Mimulus*

8:00pm Poster Session and cocktails

Sunday, November 16th

9:00am Breakfast and planning meeting (all welcome)

11:00am Departure
